

The Rochester Downtown Development Corporation's
Repositioning Rochester Series, Event #21

Wednesday • September 26, 2007 • 11:45 a.m. – 1:30 p.m.
Hyatt Regency Rochester, 125 East Main Street, Grand Ballroom

THE STATE OF ROCHESTER'S ECONOMY

As we work hard to leverage regional success stories, Governor Spitzer has committed to a new focus on the Upstate economy. Already in place are energized leaders and entrepreneurs, engaged young professionals, and more than \$450 million in current downtown investment.

So how is Rochester faring? Does growth in the education and research sectors continue to offset downsizing in manufacturing? What movement are we seeing toward sustained regional growth, and what challenges will we face over the next 18 months?

Come hear from two widely respected, local economists, and view the state of the region through the eyes of two of our biggest sources of business news.
